## ELIGIBLE EXPENSES FOR GC23 GENERAL OPERATING SUPPORT GRANTS

To clarify questions on types of approved expenses, please rely on these definitions that are specific to Bravo.

### USE OF FUNDS:

Grant funds may be used to support eligible programmatic and operating expenses between January 1 – December 31, 2023. All funds must be expended by December 31, 2023. Funds must be used to fulfill the mission of the grant recipient and support strategic goals as outlined by the organization in the GC23 General Operating Grant Application.

### ELIGIBLE EXPENSES:

- Personnel (wages and benefits for full-time, part-time, contract workers and artistic collaborators)
- Professional Fees (legal Fees, insurance, production fees, royalties; ticketing service, memberships, etc.)
- Technology (software and hardware) and Equipment purchases
- Materials (office supplies, paint, costumes, props, music, PPE, etc.)
- Space (leases or mortgages for office, storage, rehearsal, performance and exhibition spaces, etc.)
- Rentals (stages, lighting/sound, scissor lift, porta potties, etc.)
- Marketing (print material, ad buys, postage, design fees, etc.)
- Utilities (internet, electricity, gas, trash, water, etc.)
- Travel (reasonable and related lodging, transportation, food, etc.)

### INELIGIBLE EXPENSES:

Grant funds may not be used for the following activities or expenses:

- Deficit or debt reduction, including loans and lines-of-credit
- Donations or financial contributions to other organizations or businesses
- Expenses incurred prior to or after the funding period
- Lobbying activities
- Financial prizes, awards, and scholarships
- Religious activities and events
- Contributions to endowment funds or accounts
- Capital expenses and projects such as capital improvement, real estate purchases, capital infrastructure and capital campaigns.

Please do not include any ineligible expenses in budget information provided in your application.
